

1.

CORE FUNDING

Helps you with everyday tasks

Assistance with daily activities

- Cleaning
- Yard work
- Washing and dressing

Social and community participation

Provide a support worker to take you to do things in the community

Consumables

Small, low cost equipment that helps you to do everyday tasks, like opening cans

Transport

Travel around your community

YOUR NDIS PLAN WILL BE SPLIT INTO 3 SECTIONS

2.

CAPITAL FUNDING

Assistive technology

To buy equipment to help you move around or communicate

Home modifications

Getting things in your home to make it easier for you to live and move around safely

WHAT IS AN NDIS PLAN?

It is a big document that is all about you, your wants, needs and goals. It talks about what supports you will be given money for.

3.

CAPACITY BUILDING FUNDING

(Helps you to build skills to do things independently)

Daily living skills

Support you to develop skills so you can do everyday tasks in your home or in the community

Social and community participation

Establishing and maintaining your connection to community

Improved relationships

Meeting new people and building on your relationships

Health and Wellbeing

Supporting good choices that keep you healthy

Living arrangements

Help you to find a home

Life choices

Working with you to make important life choices

Employment

Help you to find and keep a job
